Revision of:  
Bulletin No 13-02

Revision date  
July 10, 2015

**ADMINISTRATIVE FINES -- BOILERS, ELEVATORS AND OTHER RELATED  
EQUIPMENT**

This Notice summarizes the actions to be taken when a Notice of Violation is not timely abated.

Pursuant to NAC 455C.616, if the holder of the operating permit or certificate does not comply with the abatement date listed on a Notice of Violation, the holder of the operating permit may be issued an administrative fine for non-compliance unless a good reason is provided in writing to the Mechanical Compliance Section Safety Manager prior to the abatement date.

This is only a summary. Prior versions of this Bulletin are hereby rescinded. This summary does not include or amend the existing statutory or regulatory requirements. Please refer to NAC 455C.616 through NAC 455C.622 for the full and complete details.
