APPLICATION FOR PERMIT TO INSTALL OR REINSTALL A BOILER OR PRESSURE VESSEL

A CONTRACTOR MUST RECEIVE A PERMIT PRIOR TO INSTALLING OR REINSTALLING A BOILER OR PRESSURE VESSEL IN THE STATE OF NEVADA.

Applicants <u>must</u> meet the following provisions before a permit to install is issued:

	The boiler must be constructed to meet the standards of the State of Nevada. Provide with this application copies of the following:					
	 Manufacturer's Data Report Submittal Drawing (Layout or sketch) that shows location of the equipment and clearances (as required) Nevada Contractor License Code Symbol Stamp (where applicable) for each piece of equipment being installed 					
The installer will be invoiced for the permit to install once the application is approved. We will no longer accept cash as a form of payment. Acceptable forms of payment are check, cashier's check or money order. The first operating permit will be invoiced separately upon acceptance of the installation.
