---

Effective January 1, 2017, the standard mileage reimbursement rate for transportation costs incurred while using a private vehicle while traveling on official State business has decreased from 54 cents per mile to 53.5 cents per mile.

Per NAC 616C.150, reimbursement for the cost of transportation for an injured employee, under appropriate conditions, must be computed at a rate equal to the mileage allowance for State employees.

Please advise all adjusters as soon as possible to minimize any payment errors.
