**Insurers with Zero Reportable Claims During a Calendar Year**

Insurers with zero reportable claims pursuant to this statute during a calendar year are required to file an *Occupational Disease Claim Statement of Inactivity* form within 5 working days of the end of the calendar year for which they are reporting. This will ensure that all insurers have addressed the requirements of this statute and are represented in the Administrator's report required by NRS 617.357(3). The [Occupational Disease Claim Statement of Inactivity](#) form is available on our website and may be filed electronically via email as an attachment or may be mailed or faxed as a hard copy. See above *Filing the OD-8 Form*.

**The OD-8 reporting requirements are mandated by the NRS. Failure to file the required reports may result in administrative fines pursuant to NAC 616D.415(1)(d).**

**OD-8 Reporting Requirement Background**

NRS 617.357 became effective July 1, 2001 and was amended on May 24, 2013.

Initially, insurers were required to submit to the Administrator a written report for all claims for compensation that were filed for an occupational disease of the heart or lungs or any occupational disease that was infectious or related to cancer. The 2013 Nevada Legislature Assembly Bill 11 (AB 11) amended NRS 617.357 limiting the reporting requirement to only claims in which the claimant is a firefighter, police officer, arson investigator, or emergency medical attendant and that are filed pursuant to NRS 617.453, 617.455, 617.457, 617.481, 617.485 or 617.487.

The OD-8 Form reporting triggers remain the same. The OD-8 Form (Part 1) must be submitted within 30 days of claim acceptance or denial pursuant to NRS 617.356, and within 30 days of claim closure or reopening. Additionally, the insurer is required to submit the OD-8 Form (Parts 1 & 2) within 30 days of an initial or subsequent appeal of claim acceptance or denial, and within 30 days of a hearing/appeals decision of affirmed, modified or reversed or stipulation on appeal.

The Occupational Disease Claim Report was initially introduced in February 2003 for reporting claims pursuant to NRS 617.357(1) and for updating each claim pursuant to NRS 617.357(2). In June 2006, it was adopted as the OD-8 Form. In January 2014, the OD-8 Form was updated to reflect the changes from AB 11 (2013). The current OD-8 Form, revised in June and July 2018, includes the Claimant First and Last Name and Appeal Number fields to assist the DIR in implementing and enforcing the requirements set forth in AB 267 (2017).
