Find a Treating Provider & Benefit Penalties Search

Two new searches have been added to the CARDS web portal. A citizen can find an insurer's designated treating provider list or search for a benefit penalty imposed on an employer, insurer, third-party administrator (TPA), medical facility, or practitioner by the Administrator of the Division of Industrial Relations (DIR) pursuant to NRS 616B.120.

CARDS Nevada Workers' Compensation Section	Log in

Welcome to the State of Nevada Workers' Compensation Claims and Regulatory Data System (CARDS) portal for Insurers and Third Party Administrators! The CARDS portal allows registered Workers' Compensation Insurers and Third Party Administrators to update their contact information, submit required claims data and run reports. To get started, login using the credentials provided to you by the Nevada Workers' Compensation Section or your company's portal Administrator. Find a Treating Provider - The name of the insurer is <u>required</u> to begin the search. Further criteria can be selected such as Provider Name, Provider Body Part, Provider Specialty, Provider Ortho, Provider State, and Provider Zip Code to narrow the search. Select SEARCH after all the desired criteria has been entered.
