STATE NOTES: PROOF OF COVERAGE NOTICE

Issued May 15, 1997

Standard

I. BACKGROUND
The Proof of Coverage (POC) Notice was developed to be used in certain states, but only if policies cannot be issued to be received by the National Council on Compensation Insurance, Inc. (NCCI) within the coverage notice requirements of the states. Additionally, it should only be sent to NCCI to cancel a previously submitted POC Notice when the policy has not been issued.

II. SUBMISSION OF PROOF OF COVERAGE NOTICE—WC 89 06 20 C
This Notice must be submitted to NCCI for all policies which will not be received by NCCI within the states coverage notice requirement as shown in Section III.

This form is not a substitute for the policy Information Page (WC 00 00 01 A), which when issued should continue to be submitted to NCCI. When the Information Page is received by NCCI, it will replace the POC Notice, but keep the original receive date of the POC Notice. In order for this match to occur, the Policy Number, Carrier Code and Policy Effective Date must be the same on the policy Information Page as was reported on the POC Notice.

If the policy Information Page is to be or is issued with the Policy Number, Carrier Code and/or Policy Effective Date different than that reported on the POC Notice, use the POC Notice form, Change/Deletion Notice section, to change the data element(s) that is different. This is required to ensure that there is a match between the POC Notice and the policy Information Page and to maintain the original coverage notification date from the POC Notice.

Reminder: The policy Information Page data will completely replace the information provided on the POC Notice except for the receipt date of original coverage notification.

If coverage is to be canceled and the policy Information Page has not been issued, submit the POC Notice indicating cancelation. The top portion of the form must be identical to that provided on the original POC Notice.

If the policy coverage is to be canceled and the policy Information Page has been issued, the Policy Termination/Cancelation/Reinstatement Notice (WC 89 06 09 B) must be used to cancel the policy.

If information on the POC Notice needs to be changed, complete the top portion of the form as originally submitted and complete only the item(s) to be changed in the Change/Delete Notice section of the form. All changes are as of the Policy Effective Date.

The Delete Proof of Coverage Notice should be used only if the Proof of Coverage Notice was issued in error. If the Proof of Coverage Notice was issued legitimately and is no longer required, use the Termination/Cancelation section of the form.
