

Contacts for Crane Operator Certification

One of the requirements of NRS 618.880 is for a crane operator to hold a certificate issued by an organization whose program for certification of crane operators is accredited by the National Commission for Certifying Agencies (NCCA). Interested parties can check out NCCA's list of accredited certification programs at:

<http://www.credentialingexcellence.org/NCCAAccreditation/AccreditedCertificationPrograms/tabid/120/Default.aspx>
