Division of Industrial Relations, Workers' Compensation Section
3360 W. Sahara Avenue, Suite 250, Las Vegas, NV 89102

Pursuant to NRS 233B.0608 and 233B.0609, the Division is providing the following statements pertaining to the workshop on the proposed additions and amendments to Chapters 616A through 616D of the NAC.

The need and purpose of the proposed revisions to regulations: *On January 12, 2023, Nevada Governor Joe Lombardo issued Executive Order 2023-003, requiring every executive branch department, agency, board, and commission to undertake a comprehensive review of the regulations subject to its enforcement and provide details on how the regulation can be streamlined, clarified, reduced, or otherwise improved to ensure those regulations provide for the general welfare of the State without unnecessarily inhibiting economic growth. Executive Order 2023-003 further required every executive branch department, agency, board, and commission to provide a list of regulations recommended for removal. The Division of Industrial Relations, Workers' Compensation Section (DIR/WCS) undertook such review and the proposed regulations, and amendments thereto, are in furtherance of the Division's compliance with Executive Order 2023-003. Specifically, R028-23 eliminates certain duplicative language concerning the method of obtaining certain forms; revises provisions relating to the manner in which the Administrator of the Division of Industrial Relations of the Department of Business and Industry must determine the timeliness of certain payments; removes a requirement for an insurer to file with the Administrator a report containing certain information upon request of the Administrator; removes certain obsolete requirements; removes a definition; and provides other matters properly relating thereto.*

Further, Executive Order 2023-008, issued June 30, 2023, notes that the executive agencies, boards, and commissions subject to Executive Order 2023-003 shall begin the process of repealing, streamlining, clarifying, reducing, or otherwise improving regulations. This proposed regulation seeks to comply with Executive Order 2023-008.

The estimated economic effect of the proposed regulations on (a) regulated businesses and (b) the public, including, stated separately: (i) adverse and beneficial effects; and (ii) immediate and long-term effects:

(a) Regulated businesses:

(i) Adverse and beneficial effects:

The Division anticipates no adverse effects, either direct or indirect, on regulated businesses as the result of these regulations. The adverse effects, if any, are difficult to determine at this time. There will be no direct or indirect cost to regulated or small businesses.

The Division believes that there will be beneficial effects, direct or indirect, on regulated or small businesses as the result of these regulations. The Division proposed the modifications to NAC Chapters 616A through 616D because certain definitions listed therein reference words that are no longer contained in the regulations. Further, the amendments proposed in LCB File No. R028-23 seek to remove obsolete requirements and duplicative language that will make the regulations more concise for stakeholders.

(ii) Immediate and long-term effects:

The Division does not anticipate any immediate or long-term effects, either adverse or beneficial, on regulated or small businesses as a result of these regulations. There will be no direct or indirect costs to regulated or small businesses.

(b) The public:

(i) Adverse and beneficial effects:

The Division does not anticipate any adverse or beneficial effects, either direct or indirect, on the public as the result of these regulations. There will be no direct or indirect cost to the public.

(ii) Immediate and long-term effects:

The Division does not anticipate any immediate or long-term effects, either adverse or beneficial, on the public as a result of these regulations. There will be no direct or indirect costs to the public.

The estimated cost to the Division for enforcement of the proposed regulations: *The Division does not anticipate incurring any additional cost for these proposed permanent regulations.*

The Division believes that the proposed regulation does not overlap or duplicate any existing regulation. *The proposed regulation is not required by federal law and there is no equivalent federal law.*

The proposed regulation does not establish a new fee or increase an existing fee. *The proposed regulation does not provide for a new fee or increase an existing fee payable to the Division.*

The Division invites representatives of regulated businesses and the public to attend the public hearing and/or prepare written and/or oral comments concerning the proposed regulations. A copy of the proposed language for LCB File No. R028-23, may be downloaded from the Division's website: <http://dir.nv.gov/Meetings/Meetings/>. Before the Public Hearing, persons may submit written comments to Christopher A. Eccles, Esq., Senior Division Counsel, Division of Industrial Relations, 3360 W. Sahara Avenue, Ste. 250, Las Vegas, Nevada 89102 or by email to ceccles@dir.nv.gov. If no person who is directly affected by the proposed regulation appears to make oral comments, the Division may proceed immediately to act upon any written submissions.

Persons with disabilities who require special accommodations or assistance at the public hearing must notify Rosalind Jenkins, at the Division of Industrial Relations, 3360 W. Sahara Ave., Ste. 250, Las Vegas, Nevada 89102, or by calling (702) 486-9014 at least three (3) working days prior to the scheduled hearing date.

A copy of this notice and the proposed regulations are available at the Division's web page (<http://dir.nv.gov/Meetings/Meetings/>). **PROPOSED REGULATION OF THE

DEPARTMENT OF BUSINESS AND INDUSTRY**

LCB File No. R028-23

November 1, 2023

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1, 2, 3 and 5, NRS 616A.400; § 4, NRS 616A.400 and 616D.120.

A REGULATION relating to industrial insurance; eliminating certain duplicative language concerning the method of obtaining certain forms; revising provisions relating to the manner in which the Administrator of the Division of Industrial Relations of the Department of Business and Industry must determine the timeliness of certain payments; removing a requirement for an insurer to file with the Administrator a report containing certain information upon request of the Administrator; removing certain obsolete requirements; removing a definition; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Administrator of the Division of Industrial Relations of the Department of Business and Industry to regulate forms of notice, claims and other blank forms deemed proper and advisable. (NRS 616A.400) Existing regulations require a completed copy of the form entitled “D-37, Insurer’s Subsequent Injury Checklist” that is prescribed by the Administrator to be included with the submission of a claim for reimbursement from the: (1) Subsequent Injury Account for Private Carriers; (2) Subsequent Injury Account for Self-Insured Employers; and (3) Subsequent Injury Account for Associations of Self-Insured Public or Private Employers. Existing regulations provide that a copy of the Form D-37 may be obtained from the Administrator at no cost. (NAC 616B.760, 616B.7702, 616B.7773) Existing regulations additionally provide that a copy of the Form D-37 may be obtained on the Internet website maintained by the Administrator. (NAC 616B.7702, 616B.7773) **Section 1** of this regulation eliminates duplicative language from provisions setting forth procedures for the submission of a claim for reimbursement from the Subsequent Injury Account for Self-Insured Employers which provides that a copy of the Form D-37 may be obtained from the Administrator or on the Internet website maintained by the Administrator at no cost. **Section 2** of this regulation makes a conforming change relating to the renumbering of subsections in **section 1**.

Existing law requires the Administrator to impose certain fines upon an insurer, organization for managed care, health care provider, third-party administrator, employer or professional employer organization that has engaged in a pattern of untimely payments to injured

employees. (NRS 616D.120) Existing regulations: (1) set forth certain considerations the Administrator will consider in determining whether such a person has engaged in a pattern of untimely payments to injured workers; and (2) specifically require the timeliness of payments to be determined by the statute or regulation specifically applicable to the type of payment involved. (NAC 616D.413) **Section 4** of this regulation removes provisions which specifically require that the timeliness of payments be determined by the statute or regulation specifically applicable to the type of payment involved.

Existing regulations require each insurer, upon the request of the Administrator, to file a report with the Administrator which contains certain information relating to claims. (NAC 616B.016) **Section 5** of this regulation repeals that requirement.

Before the enactment of Senate Bill No. 316 (S.B. 316) of the 1993 Legislative Session, existing law required certain employers to annually submit to the Administrator financial information relating to employee exposure and claim losses incurred in such employment. (Former NRS 616.255, 616.256) S.B. 316 repealed that requirement. (Section 285 of Senate Bill No. 316, chapter 265, Statutes of Nevada 1993, at page 805) **Section 5** repeals obsolete requirements set forth in existing regulations relating to that requirement. **Section 5** also repeals a definition that is rendered unnecessary by the repeal of those requirements. **Section 3** of this regulation makes a conforming change to remove a reference to certain provisions repealed by **section 5**.

Section 1. NAC 616B.7702 is hereby amended to read as follows:

616B.7702 1. The Board will approve or disapprove, in whole or in part:

4. SMALL BUSINESS IMPACT STATEMENT
AS REQUIRED BY NRS 233B.0608 AND 233B.0609
LCB FILE NO. R028-23
November 28, 2023

Note: Small Business is defined as “a business conducted for profit which employs fewer than 150 full-time or part-time employees.” (NRS 233B.0382).

1. Describe the manner in which comment was solicited from affected small businesses, a summary of their response and an explanation of the manner in which other interested persons may obtain a copy of the summary.

ANSWER: To determine whether the proposed regulations are likely to have an impact on small businesses, the Division considered the purpose and scope of the proposed regulations. The proposed regulations revise provisions of NAC 616A through 616D by removing provisions requiring the publication of certain notices in newspapers; revising the form in which recordings of certain hearings are required to be kept; and providing other matters properly relating thereto.

In addition, on November 3, 2023, the Division sent out a Small Business Impact Statement Questionnaire to interested parties on the Division’s Listserv, which includes 14,161 recipients. The Questionnaire inquired from small businesses whether they believed there would be any economic effects, adverse or beneficial, direct or indirect, on their respective businesses from the proposed regulation. The deadline to return the questionnaire was November 17, 2023. As of this date, the Division received one (1) response from Gary Becker, DC.

Dr. Becker noted that the proposed regulation may have an adverse economic effect on his small business, noting, “Potential adverse economic effect depending on specifics, of how Impairment Rating Exams are assigned. A reasonable protocol must be established to assign and/or re-assign exams, to minimize negative impact on raters and DIR staff. DIR staff may be overwhelmed.” The Division believes that Dr. Becker’s concerns may be addressed in DIR’s other proposed regulations, namely LCB File No. R076-23.

Based on this review, the Division determined that this regulation will have no direct effect on small businesses, either adverse or beneficial, and will also have no indirect effect on small businesses, either adverse or beneficial.

2. The manner in which the analysis was conducted.

ANSWER: As noted in Answer 1, on November 3, 2023, the Division sent out a Small Business Impact Statement Questionnaire to interested parties on the Division’s Listserv. The Questionnaire inquired from small businesses whether they believed there would be any economic effects, adverse or beneficial, direct or indirect, on their respective businesses from the proposed regulation. The deadline to return the questionnaire was November 17, 2023. As of this date, the Division received one (1) response from Gary Becker, DC.

Dr. Becker noted that the proposed regulation may have an adverse economic effect on his small business, noting, “Potential adverse economic effect depending on specifics, of how Impairment Rating Exams are assigned. A reasonable protocol must be established to assign and/or re-assign exams, to minimize negative impact on raters and DIR staff. DIR staff may be overwhelmed.” The Division believes that Dr. Becker’s concerns may be addressed in DIR’s other proposed regulations, namely LCB File No. R076-23.

3. The estimated economic effect of the proposed regulation on the small businesses which it is to regulate, including, without limitation:

- (a) Both adverse and beneficial effects; and**
- (b) Both direct and indirect effects.**

ANSWER: The Division anticipates no adverse effects, either direct or indirect, on regulated businesses as the result of these regulations. The adverse effects, if any, are difficult to determine at this time. There will be no direct or indirect cost to regulated or small businesses.

The Division believes that there will be beneficial effects, direct or indirect, on regulated or small businesses as the result of these regulations. The Division proposed the modifications to NAC Chapters 616A through 616D because certain definitions listed therein reference words that are no longer contained in the regulations. Further, the amendments proposed in LCB File No. R028-23 seek to remove obsolete requirements and duplicative language that will make the regulations more concise for stakeholders.

4. Describe the methods that the agency considered to reduce the impact of the proposed regulation on small businesses and a statement regarding whether the agency actually used any of those methods.

ANSWER: Because there will be no adverse impacts on small businesses in general, there are no methods available to reduce the impact the Division could have considered.

5. The estimated cost to the agency for enforcement of the proposed regulation.

ANSWER: There is no additional cost to the agency for enforcement of this regulation.

6. If the proposed regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

ANSWER: The proposed regulation does not provide for a new fee or increase an existing fee payable to the Division.

7. If the proposed regulation includes provisions which duplicate or are more stringent than federal, state or local standards regulating the same activity, an explanation of why such duplicative or more stringent provisions are necessary.

ANSWER: The proposed regulation does not include any provisions which duplicate or are more stringent than existing federal, state, or local standards.

8. The reasons for the conclusions of the agency regarding the impact of a regulation on small businesses.

ANSWER: The Division complied with NRS 233B.0608 by considering the purpose and scope of the proposed amendments. The purpose of the proposed regulations *eliminate certain duplicative language concerning the method of obtaining certain forms; revise provisions relating to the manner in which the Administrator of the Division of Industrial Relations of the Department of Business and Industry must determine the timeliness of certain payments; remove a requirement for an insurer to file with the Administrator a report containing certain information upon request of the Administrator; remove certain obsolete requirements; remove a definition; and provide other matters properly relating thereto.*

The Division made a concerted effort to determine whether the proposed regulations impose a direct or significant economic burden upon small businesses, or directly restricts the formation, operation, or expansion of a small business. Specifically, on November 3, 2023, the Division sent out a Small Business Impact Statement Questionnaire to interested parties on the Division's Listserv. The Questionnaire inquired from small businesses whether they believed there would be any economic effects, adverse or beneficial, direct or indirect, on their respective businesses from the proposed regulation. The deadline to return the questionnaire was November 17, 2023. The Division received only one (1) response, which is noted in the Division's Answers to 1 and 2, *supra*.

The Division determined that these regulations will have no adverse effect on small businesses and will not restrict the formation, operation or expansion of small businesses.

I, VICTORIA CARREÓN, Administrator of the Division of Industrial Relations, certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small businesses and that the information contained in the statement was prepared properly and is accurate.

DATED this 27th day of November, 2023.

VICTORIA CARREÓN, Administrator
