NEVADA OSHA'S JURISDICTION

Nevada OSHA has authority over matters related to worker safety and health. This includes coverage for all local and state government employers in Nevada. It also applies to private sector workplaces except for maritime, United States Postal Service, federal land, military bases, tribal land, and working conditions of aircraft cabin crew onboard aircraft in operations. Nevada OSHA does not have jurisdiction over workers' compensation claims or wage and hour issues.

HOW TO MAKE A COMPLAINT

Safety & Health
