Women in Construction Week celebrates and promotes the role of women in the construction industry. This year's theme, 'Keys to the Future', celebrates the strength and knowledge of women and the vital role they play in shaping the future of the construction industry.

Join us for professional insight from successful women in the construction field. Learn how to succeed in construction and male-dominated industries. Get information about your rights, protections, and resources available to you.

Guest speakers include representatives from NAWIC, Nevada Women in Trades, ASSP Women in Safety Excellence, Penta, and other important topics. Meet with the women of OSHA & SCATS.
