

## ***CARDS: D-38 Indexing Update and D-35s***

***Katherine Godwin, B.S.N., RN, Medical Unit Chief, Division of Industrial Relations, Workers' Compensation Section*** - is the Medical Unit Chief for Southern and Northern Nevada, Division of Industrial Relations, Workers' Compensation Section (WCS). She has been in her current position for over a decade. Her responsibilities include oversight of medical complaints, medical bill appeals, maintenance of both the Treating Panel of Physicians and Chiropractors and the Rating Panel of Physicians and Chiropractors, PPD Quality Assurance, C-4 Form coverage verification and "other duties as assigned." She enjoys teaching many of the educational classes offered by the WCS. Ms. Godwin's nursing background includes rehabilitation, managed care, case management, utilization review, peer review and neonatal intensive care. She has worked in both the public and private sectors, including in workers' compensation in both Colorado and Nevada. Ms. Godwin earned her Bachelor of Science in Nursing at the University of Colorado Health Sciences Center in 1985. She is a married mother of two, an avid swimmer, and loves the outdoors and horses.
