## Nevada—Proof of Coverage (POC) Update

### Nonrenewal Reporting Requirements

As a reminder, the Nevada Division of Industrial Relations (DIR) requires nonrenewal policy transactions to be reported through POC information. Nonrenewal transactions are reported to end coverage effective as of the policy expiration date.

The Nevada DIR has the authority to levy administrative fines against carriers for failure to report nonrenewal transactions.

For policy reporting, if a carrier nonrenews a workers compensation policy, then a Record Type 08—Cancellation/Reinstatement transaction must be reported to NCCI with the Cancellation/Reinstatement ID Code of 3 (Nonrenewal). The nonrenewal transaction, including termination on the policy expiration date and for which no subsequent policy has or will be issued, must be received within 15 days of the nonrenewal effective date. Nevada recognizes NCCI's received date when determining the timeliness of POC transactions accepted by the state.

The Nevada DIR receives a monthly NCCI POC report, which includes nonrenewal transactions.

Refer to the Nevada POC State Guide page on [ncci.com](http://ncci.com) for all Nevada filing requirements.
