NOTICE TO ALL EMPLOYEES

If you sustain a compensable accident while at work, your employer has arranged for the payment of your medical care with your insurance payor. It is your responsibility to immediately report the injury to your supervisor.

IN CASE OF INJURY

Employee. The injured employee may select a medical provider from the Nevada Workers' Compensation Administrator's (WCA) panel of physicians and chiropractors. Emergency medical care should be secured at the nearest location. The injured employee may change to a new medical provider within 90 days of injury without prior authorization. If the change takes place beyond 90 days, the injured employee must seek prior authorization from the employer/insurer.

If you suffer a work-related injury, your insurance payor will pay for reasonable and necessary surgical, and medical services, medication, supplies, orthopedic appliances and prosthesis, including training in their use. In order to ensure that your medical treatment will be paid for by your insurance payor, you may select from one of the medical providers listed below. If the injury is a medical emergency, ensure that the injured employee is transported to the nearest emergency treatment facility. If you need assistance making an appointment for medical treatment, you may search for additional network providers at www.corvel.com/ppo-lookup/ or by calling 888-699-6655. Your Panel of Physician is attached hereto. Please speak with your supervisor now if you have any questions.
