

Changes in the Workplace: A Panel Discussion

Karyn Jensen, Founder, The Human Resource Connection - Karyn founded The Human Resource Connection (HRC, Ltd.) 20 years ago. To date, they've worked with over 300 companies implementing visionary projects to improve human resource compliance and employee-management relations. From conducting HR departmental assessments, to leadership training, to building HR departments from the ground up, Karyn and her team deliver tailored solutions that align with their clients' goals. HRC believes that if you have happy humans then you don't have recruiting challenges, you have less turnover, and less employee relations issues and THIS creates the best business you can have. Karyn has a Master of Science degree in Human Resource Management, and two HR certifications in addition to working for more than 25 years in the HR industry.
Please welcome Karyn Jensen.
