

Nevada Occupational Safety and Health Administration (OSHA) Overview

Lara Pellegrini, Whistleblower Chief Investigator, Nevada OSHA – for the Whistleblower Protection Program. She has over 15 years of investigative experience with the state of Nevada. Her educational background includes a Bachelor of Arts in Criminal Justice from Michigan State University and a Juris Doctor from the University of Memphis Law School. She is originally from Wisconsin and enjoys the much milder winters in Las Vegas. In her free time, she enjoys watching suspenseful movies, cooking, exercising, and being outdoors.
