Each insurer shall provide the Division, at such times and in the form and manner prescribed by the Division, with reports of expected annual expenditures for claims, annual expenditures for claims and such other information as the Division deems necessary to calculate an estimated or final annual assessment. Each report of

expenditures for claims must identify expenditures attributable to claims made by persons who were employed by the operators of mines at the time of their injuries.

8. What is my Nevada Certificate of Authority Number and where can I find it?
 - The Nevada Certificate of Authority Number is issued by the Nevada Division of Insurance (DOI). The Division of Insurance has a “[Verify a License](#)” search on its website: <http://di.nv.gov/ins/f?p=112:8:::NO:RP,8:>
9. Is a “Certificate of Insurance” the same as the “Certificate of Authority”?
 - A “Certificate of Insurance” is not applicable. The Certificate of Authority number is what should be provided. See the answer to question 8 to learn how to locate this number.
10. Insurer A bought Insurer B. What reports do I need to submit moving forward?
 - If a private carrier acquired a private carrier or a self-insured employer acquired a self-insured employer, the entity that currently has liability for the claim’s expenditures paid out during the time period requested is responsible for reporting claims expenditures and premiums on the applicable report: The Summary of Claims Expenditures Report or the Summary of Premiums Earned and Claims Expenditures Report.
 - Insurer B will need their own report filled out if they spent any amount of time in the period requested not owned by Insurer A yet. Notate on document what day they became a part of Insurer A. Going forward only need documentation on Insurer A.

11. Do I need to submit a separate form for each of my subsidiaries?
- Yes. Please submit a separate form for each Nevada Certificate of Authority number.
12. What does “decertified” mean?
- A decertified insurer is a self-insured employer or association of self-insureds whose certificate of authority has been withdrawn by an order of the insurance commissioner.
13. I received a report requesting self-insured information. We are not self-insured.
- In the case of a private carrier, you only need to fill in the self-insured information if the private carrier has entered into a loss portfolio transfer or has otherwise assumed the claims’ liability for a decertified self-insured employer or association of self-insured employers. If an employer was self-insured at some point in the past and retained liability for claims, the self-insured information must be completed.
14. We already de-certified, do I have to fill out this report and why?
- Decertified self-insured employers or associations of self-insured employers need to fill in the form if they retained liability for claims pursuant to NAC 616B.713, regardless of whether there were claims expenditures for the time period requested or not.
 - NAC 616B.713 was amended August 22, 2023 to read as follows:

NAC 616B.713 Statement of amount of expenditures for claims; amount to be used as source for determining annual expenditures for claims. ([NRS 232.680](#), [616A.400](#))

1. Except as otherwise provided in subsection 2 and NAC 616B.7755, an insurer shall provide to the Division a statement showing the amount of expenditures for claims described in NAC 616B.707 for a period designated by the Division.

2. If an insurer assumes the obligation to pay the expenditures for claims of a self-insured employer, association of self-insured public employers or association of self-insured private employers whose certificate of authority has been withdrawn pursuant to this chapter and chapter 616B of NRS, the insurer must provide to the Division a statement showing the amount of expenditures for claims described in NAC 616B.707 which the insurer assumed and paid on behalf of the self-insured employer, association of self-insured public employers or association of self-insured private employers, as applicable, for a period designated by the Division.

3. The statement provided pursuant to subsection 1 or 2, as applicable, must be verified and signed by a responsible person employed by the insurer or an authorized agent thereof.

4. Amounts reported to the Division pursuant to subsection 1 or 2, as applicable, will be used as the source for determining annual expenditures for claims.

15. I haven’t filled out this report in years. Why now?
- If an insurer, as defined in NAC 616B.695, has potential liability for claims for the time period requested, you must fill in this form pursuant to NAC 616B.704(3), NAC 616B.713, and NAC 616B.7755(2). If there are no claims expenditures, report “zero” or “none.”

16. How long do we have to fill out reports after de-certifying?
- Due to the lifetime claim reopening provision in Nevada in NRS 616C.390(1)(a), the Summary of Claims Expenditures Report or the Summary of Premium Earned and Claims Expenditures Report must be completed for each future period, for as long as the insurer maintains liability for the claims, regardless of whether there are claims expenditures. If a different insurer enters into a loss portfolio transfer or otherwise assumes the claims' liability, that insurer will be responsible for submitting the applicable report in each future period. See the statutory references in question 7 for the requirement to provide this data.
17. I can't make the payment deadline; may I request an extension?
- Penalties may be assessed for late payments. See NAC 616B.740 below.
- NAC 616B.740 Penalty for late payment.** ([NRS 232.680](#), [616A.400](#)) Except as otherwise provided in [NAC 616B.7758](#) and [616B.7767](#), the Division may assess a penalty for the late payment, without good cause, of an assessment for the Fund for Workers' Compensation and Safety, the Subsequent Injury Accounts for Self-Insured Employers or Private Carriers or the Uninsured Employers' Claim Account in accordance with the provisions of [NRS 616D.120](#).
18. How do COLAs for Permanent Total Disability and Death Benefits affect my assessment?
- All insurers are assessed annually for COLAs authorized under AB370 and SB377 of the 2019 Legislative Session. This assessment invoice is sent out in conjunction with the Final Assessment. Effective 2024, this assessment will be sent out by May 31 each year.
 - Insurers are eligible for reimbursement of COLA payments made pursuant to AB370 and SB377. Reimbursement checks are mailed out after revenue is received for the COLA assessment. Effective 2024, reimbursements will be made by December 31 each year.
19. Is the Private Carrier section where we put losses (claims expenditures) from company?
- The Private Carrier section of the Summary of Premium Earned and Claims Expenditures Report is for claims expenditures as defined by NAC 616B.707. See question 24.
20. May I have my assessment and refund sent to different locations?
- We currently track only one mailing address per Insurer.
21. When do I receive my refund?
- Refunds are mailed out by the end of June every calendar year. It will take approximately 10 business days to receive your check, after they are mailed out.
22. Can I skip the quarterly estimated assessment payments and just pay the final assessment payment?
